Natural Crystal Quartz

Natural Crystal Quartz

Natural clear quartz crystal has a remarkable energy. This stone is said to be good for purification and refinement, useful for general vertigo or dizziness. The most popular of all stones for healers as it is used for many purposes. It purifies the air and the body, cleansing the system and clearing the mind. Favored by mystics throughout the centuries.

Quartz Crystal vibrates all of the color frequencies of the spectrum

Wear this natural quartz point to clear all the chakras.

Double terminated natural quartz crystal point

Double terminated crystals have distinct points at both ends. A double termination radiates or absorbs energy at both ends concurrently. This causes it to channel energy in two directions at once. A double terminated crystal integrates spirit and matter and offers an effective bridge between two energy points.

- Cleans the atmosphere of negative energies
- Amplifies and cleans the energies of your other stones

Healing with double terminated crystals

These are useful to absorb negative energy and break old patterns. They are sometimes used in overcoming addictions. When placed on the third eye, double terminated stones can increase telepathic ability.

Crystal Quartz (Rock Crystal) Gemstone meaning

Quartz crystal is a clear variety of quartz that was first found high in the frozen mountains of the Alps. Ancient people believed it was a form of ice crystals that would never melt. It is said to have cooling powers and is a romantic stone. Sources of quartz crystal include Brazil, Madagascar, Switzerland, France and parts of the Soviet Union.

Healing properties of Quartz Crystal

Crystal is a common stone, but a powerful one. It is mainly used in healing as amplification for the energies of the other working stones. In healing, the crystal point is best and the size can be important.

For meditating the crystal ball or point can be used. As it is a powerful stone the user should experiment with each to find what is best for them.

The Quartz Crystal has a similar vibration as humans. This is why using Crystal to meditate and keeping a Crystal helps one to know oneself. It will sometimes not work for a negative person.
